

MONROE MILERS

Hi,

Congratulations on your decision to join 30 million Americans running the paths and roads of this country. In early 1979, a group of your running neighbors got together forming a club whose purposes are:

- A. To promote physical fitness and health through running and walking;
- B. To provide information, instruction, and encouragement for runners;
- C. To promote a social atmosphere for runners; and
- D. To disseminate information on, sponsor, and organize running and walking events.

We, of the **MONROE MILERS**, would like to extend an invitation to you and your family to join our numbers.
